Message from Chairman & Managing Director

Dear Shareholders,

'Smart' is the new phenomena. Smart phones, Smart city, Smart cars etc.

The confluence of IOT, Machine learning and AI herald a new age of productivity. It also heralds a new age for mapping services and geospatial content.

As spatial technologies now play a key role in all smart technologies, high precision content is essential for a high precision world. LiDAR is emerging as a key new technology in creating the next generation map content and applications. Highly accurate maps are now required for the next generation of applications.

Your Company has been at the forefront of smart city applications, advanced navigation maps and smart infrastructure. It has over the years built substantial capacity in LiDAR acquisition and processing.

Your Company has been at the forefront of smart city applications, advanced navigation maps and smart infrastructure. It has over the years built substantial capacity in LiDAR acquisition and processing

LiDAR is emerging as a key technology in several applications - with the most notable being for the smart car. Smart or Autonomous Cars are the big disruption that the global automotive industry is facing and high definition maps using LiDAR are at the key of this revolution.

Your Company is one of the few companies in the world having e-capability in various smart city applications.

The work we have stated using LiDAR for Mumbai city is something that we hope to scale for all the major cities of India. Recently, LiDAR has also been made compulsory for all roads DPR work by the ministry of roads, thereby heralding a large market for the same. As you may be aware, your Company has one of the largest repositories of content of all the major cities of India, including its entire road network.

On the global smart car evolution, your Company is confident of leveraging its skills in developing high definition map content which will become an integral part of the autonomous car market.

On the global smart car evolution, your Company is confident of leveraging its skills in developing high definition map content which will become an integral part of the autonomous car market.

Essentially, in the various verticals that your Company has been working on, we are confident of increased traction in the years ahead.

Regards,
Sajid Malik

OUR SERVICES

Geospatial Engineering

Genesys specializes in the generation, manipulation, management, and maintenance of data for GIS and other information management systems, and offers the full range of services necessary for successful geospatial data implementation.

These services are provided to various local, state and federal government agencies; large utility companies; and the private sector.

Our services are based on over twenty years experience in photogrammetric mapping; GIS consulting & data conversion; and geospatial information technology (IT).

Consulting: Genesys offers strategic and result-oriented Geospatial Consulting Services backed by an experienced team of geospatial professionals. Our services include Mapping/GIS Needs Assessments, QA/QC Analysis and Project Design.

Spatial Data conversion and migration: Genesys has vast experience in geo-data conversion and has a dedicated pool of Geospatial resources providing services to the geo-data conversion market.

We provide conversion services to Utilities, Telephone, Water/Wastewater and Government. The team works with most of the major platforms in the industry.

Photogrammetry: As a single-source provider of Geospatial and IT solutions, Genesys offers a full line of Photogrammetry, Survey and Remote Sensing services and solutions.

They involve Photogrammetric Mapping and GIS from High Resolution Stereo Imagery, Cartographic Map Preparation for Governments worldwide, Aerial Photography and Control, 3D Buildings and Urban Modeling, Ortho Photo Production.

LiDAR Engineering

LiDAR (Light Detection And Ranging) has become an established method for collecting very dense and accurate elevation values. This active remote sensing technique is similar to radar but uses light pulses instead of radio waves.

Mobile LiDAR Survey and Mapping :

Genesys is a pioneer in offering Mobile Mapping survey in India and has the country's largest fleet of mobile mapping units including sizeable number of High Definition (LiDAR) scanning systems.

Terrestrial LiDAR Survey and Mapping:

Terrestrial laser scanning provides highly accurate, three-dimensional images enabling engineers to experience and work directly with real-world conditions by viewing and manipulating rich point-clouds in computer-aided design software.

Aerial LiDAR Scanning and Mapping:

Aerial LiDAR typically involves scanning from an airplane or helicopter fitted with suitable laser scanner and is usually carried out for mapping large areas.

Genesys partners with expert Aerial LiDAR survey companies for aerial laser scanning and has an in-house team of experienced aerial LiDAR processing professionals.

Software Development

Genesys has been in the forefront of designing and developing complex location based products and solutions for enterprises, government and consumers. Additionally, Genesys also has proven experience in executing end-to-end enterprise GIS projects using both open source and industry popular GIS platforms.

Item Nos. 8 & 9:

Genesys has always believed in Stock Options as an effective instrument, to align the interest of employees with those of the Company and its shareholders, providing an opportunity to employees to share the growth of the Company, and to create long-term wealth in the hands of employees.

Your Company believes in rewarding its employees for their continued hardwork, dedication and support which has led the Company on the growth path. The Company intends to implement the “**Genesys ESOP Scheme - 2017**” with a view to attract and retain key talents working with the Company by way of rewarding their performance and motivating them to contribute to the overall corporate growth and profitability in sync with their own personal and professional development. This will also act as a retention tool and attract best talent available in the market.

The Board has therefore proposed to evolve “**Genesys ESOP Scheme - 2017**” (hereinafter referred to as “the Scheme”) for the benefits of employees and Directors of the Company and its Subsidiary Companies, and such other persons/entities as may

NOTES

be prescribed by SEBI from time to time, and in accordance with the provisions of prevailing regulations.

The Board has accordingly decided to seek approval of the shareholders of the Company.

The salient features of the Scheme are as under:

a) Brief description of the Scheme:

In order to retain the existing employees and also to attract and retain the best talent, the Company proposes to grant stock options to its present and future employees under **Genesys ESOP Scheme – 2017** in terms of this resolutions and in accordance with the relevant provisions of the Companies Act, 2013, the rules framed there under, SEBI (SBEB) Regulations and other laws as applicable.

b) Total number of options to be granted:

The Options to be granted under the scheme shall not exceed 10,00,000 (Ten Lacs) equity shares and/or securities convertible into equity shares of the aggregate nominal value of INR 50,00,000 (Rupees Fifty Lacs only) represented by 10,00,000 (Ten Lacs) equity shares of face value INR 5/- each in one or more tranches.

As per SEBI (SBEB) Regulations in case of corporate action like bonus shares, split, rights issue, merger, sale of division etc. such number of equity shares of equivalent value as may arise after giving effect to such corporate actions shall be deemed to be increased in proportion to the above ceiling limit of Equity Shares.

c) Identification of Classes of Employees entitled to participate in the Scheme:

All permanent employees of the Company whether working in India or abroad and Directors of the Company whether Whole-time Director or Otherwise (hereinafter referred to as the "Employees"), as may be decided by the Board and also to the permanent employees and Directors of Subsidiary Companies and /or to such other persons, as may from time to time be allowed under prevailing laws, rules and regulations, and /or amendments thereto from time to time on such terms and conditions as may be decided by the Board.

However, the following persons shall not be eligible :

- (i) who are either promoter or belong to promoter group as defined in the Regulations; or
- (ii) a director who either by himself or through his relative or through any body corporate, directly or indirectly holds more than 10% of the outstanding equity shares of the

company shall not be eligible to participate in the ESOS; and (iii) an Independent Director within the meaning of the Companies Act, 2013.

d) Requirements of Vesting and Period of Vesting:

The Options granted shall vest so long as an employee continues to be in the employment of the Company or the Subsidiary Company, as the case may be. The Board or the Compensation Committee of the Board may, at its discretion, lay down such performance metrics/criteria on the achievement of which the options shall vest with the employee, the detailed terms and conditions relating such vesting, and the proportion in which the options granted shall vest, etc.

The minimum period of vesting is one year from the date of grant of option and the maximum period shall be five years. The Compensation Committee shall decide on the vesting schedule. The vesting may also happen in one or more tranches as may be decided and approved by the Compensation Committee.

The options, that may lapse/expire or are forfeited, will be available for grant to the eligible employees.

e) Maximum period (subject to regulation 18(1) of the regulations, as the case may be) within which the options / benefit shall be vested:

The maximum period of vesting shall be as stated above in point (d).

f) Exercise Price or Pricing Formula:

The exercise price, as per the discretion of the Compensation Committee shall be upto 66.66% discount to the market price, which shall be the latest available closing price on the Stock Exchange, which records the highest trading volume in the Company's Equity shares on the date immediately prior to the date of the Board / Compensation Committee meeting.

g) Exercise Period and Process of Exercise:

The exercise period will commence from the date of vesting and will expire on completion of 2 years from the date of the vesting of the options or such other period as may be decided by the Compensation Committee, from time to time.

In order to exercise the options, the option grantee shall give a written application in the manner as prescribed. The options granted to the employees are not transferable.

NOTES

h) **Appraisal Process for determining eligibility of Employees to participate in the Scheme:**

The appraisal process for determining the eligibility of the employees will be specified by the Compensation Committee from time to time and shall be based on such criteria which may include but not restrict to the role, designation, past performance, future potential of the employees and shall be determined by the Compensation Committee at its sole and absolute discretion.

i) **Maximum Number of Options to be issued per employee and in aggregate:**

The number of options that may be granted to any specific employee of the Company or of its Subsidiary Company under the Scheme, in any financial year and in aggregate under the Scheme shall be less than 1% of the issued Equity Share Capital (excluding outstanding warrants and conversions) of the Company.

j) **Maximum quantum of benefits to be provided per employee under a scheme:**

Quantification of benefits to be provided per employee under a scheme is difficult. The discount on shares at the time of grant of options is upto 66.66% discount to the prevailing market price as stated above and benefits arising after sale of shares is subject to the market price of the shares as on the date of sale which is a future event and not quantifiable as on date.

k) **Whether the scheme(s) is to be implemented and administered directly by the company or through a trust:**

The **Genesys ESOP Scheme – 2017** shall be implemented and administered directly by the Company.

l) **Whether the scheme(s) involves new issue of shares by the company or secondary acquisition by the trust or both:**

The Scheme involves issue of new shares by the company.

m) **Disclosure and Accounting Policies:**

The Company shall comply with 'Guidance Note on Accounting for Employee Share-based Payments' and/or any relevant Accounting Standards or Policies as may be prescribed by such statutory/concerned authorities, including any disclosure requirements prescribed therein in accordance with and subject to the requirements of

Regulation 15 of SEBI (Share Based Employee Benefits) Regulations, 2014.

n) **Adjustment in case of Corporate Actions (eg. bonus shares, split, rights issue, merger, sale of division etc):**

A fair and reasonable adjustment in the manner as provided in the said SEBI (SBEB) Regulations shall be made to the number of options and to the exercise price in case of Corporate Actions (eg. bonus shares, split, rights issue, merger, sale of division etc.) by the Company between the date of grant of options and the exercise of the options.

o) **Perquisite Tax:**

In terms of the provisions of Section 17(2)(vi) of the Income Tax Act, 1961 and other applicable laws, the eligible employees shall be liable to pay the amount of perquisite tax and/or other taxes, charges and levies (by whatever name called) in respect of the options exercised, if any.

The Company shall be entitled to receive the entire consideration and the perquisite tax and/or other taxes, charges and levies (by whatever name called) at the time of exercise of the options by the eligible employees, irrespective of when the Company may be required to deposit the tax with the relevant authority.

p) **Method of Valuation of Options:**

In case the Company calculates the employee compensation cost using the intrinsic value of the stock options, the difference between the employee compensation cost so computed and the employee compensation cost that shall have been recognized if it had used fair value of the options, shall be disclosed in the Director's Report. Impact of this difference on profits and Earning per Share (EPS) of the Company shall also be disclosed in the Directors' Report.

The Compensation Committee will monitor the administration & superintendence of "**Genesys ESOP Scheme - 2017**" once approved by the Shareholders. The Committee shall be authorized to settle any dispute or remove any hurdle that may arise with respect to interpretation of any of the provisions of ESOP or in the implementation thereof as the Committee in its absolute discretion thinks fit.

The Company through its Board shall be entitled to vary the terms of the schemes in any manner in its sole and absolute discretion, in accordance with the applicable provisions of any law subject to the same not detrimental to the interest of the employees.

NOTES

Accordingly, consent of the members is being sought by way of Special Resolution set as Item No. 8 & 9 of the Notice of pursuant to Section 62(1)(b) and all other applicable provisions, if any, of the Companies Act, 2013 and as per Regulation 6 of the SEBI (SBEB) Regulations.

A separate resolution is required to be passed if the benefits of ESOP are to be extended to employees of the Subsidiary Companies. This separate Resolution under Item No. 9 is being proposed accordingly to cover those employees, and/or such other persons as may be permitted from time to time, under prevailing laws, rules and regulations, and/or amendments thereto from time to time.

The Board of Directors recommends the Special Resolutions as set out in item nos. 8 & 9 for the approval of the Members

The options to be granted under the scheme shall not be treated as an offer or invitation made to public for subscription in the equity shares of the Company.

Since the options under the Scheme could be also offered

and issued to the Directors and Key Managerial Personnel of the Corporation, to the extent and in the manner as may be permissible under the relevant provisions of the Companies Act, 2013, rules made there under and SEBI ESOP Regulations, such Directors and Key Managerial Personnel and their relatives are deemed to be concerned and interested, in the said resolutions.

8. EVALUATION OF BOARD'S PERFORMANCE AND MEETING OF INDEPENDENT DIRECTORS

Pursuant to the provisions of the Companies Act, 2013 and the SEBI (LODR) Regulations, 2015, the Board has to carry out an annual performance evaluation of its own performance, and that of its Committees and individual directors. Schedule IV to the Companies Act, 2013 also stipulates that, the performance evaluation of the Independent Directors shall be done by the entire Board, excluding the director being evaluated.

The Nomination & Remuneration Committee of the Board is entrusted with the responsibility to formulate criteria for evaluation and evaluate the performance of the Independent Directors and also of the Board of Directors. The Board also individually evaluates annual performance of its own, of its Committees and individual directors thereof.

The performance evaluation of the Chairman was carried on the grounds of Qualification, Experience, Effectiveness, Leadership, Knowledge, Competency and on the basis of performance of the Company vis-a-vis the Chairman of the Company.

The Independent Directors were evaluated on additional criteria of independence and applicability of independent views and judgment in the decision-making process of all matters considered important.

The exercise of Board's Evaluation was carried out through a structured evaluation process covering various aspects of the Boards functioning such as diversity in composition of the Board & Committees, its roles & responsibilities, experience & competencies, performance of specific/general duties & obligations and various other governance issues etc. The performance evaluation of Non-Independent Directors was carried out by Independent Directors at a separately convened meeting, where performance of the Board as a whole was evaluated and reviewed.

MANAGEMENT DISCUSSION AND ANALYSIS

Industry Overview and Developments

Scientific and technological advancement is the key driver for economic growth and sustainable development of any country. Geospatial technologies have been recognized worldwide as one of the most powerful technologies that can effectively serve overall developmental needs of the society. In this digital age, geospatial technology is integral part of our daily lives. Geospatial projects help authorities to do planning and render various governance and citizen centric services. Worldwide, majority of the enterprises are recognizing the power of “map based” decision support system. These are increasingly being adapted into mainstream IT industry. The traditional workflow processes which are manually operated in any vertical domain are being increasingly automated from field data capture using modern sensors to faster processing capabilities of the datasets thereby making it more cost effective.

There is an increased demand to generate large scale maps from high resolution satellite data or from the Drones. Globally around six Satellite data of Global and Regional Navigation Satellite Systems are operational and /or under development. Ground-based positioning and navigation technologies are also advancing rapidly. There is a growing trend of industry funded and operated platform of microsattellites which were earlier only sponsored through government funded projects. These microsattellites often utilize off-the-shelf components and cost a fraction of the traditional satellites. This will lead to the availability of cheap and huge repository of satellite imagery that can be captured on a daily basis for a given geographical area of interest. Internet service providers are developing innovative means to complement existing ground-based and traditional satellites including low-earth orbit lightweight satellites, stratospheric balloons and solar drones. The commercial remotely piloted aircraft market - RPAS, also known as Unmanned Aerial Vehicles (UAV) or drones is experiencing explosive growth with one estimate at 51% CAGR for the period 2014–2019.

As per industry sources, spatial enablement of the connected devices that make up the Internet of Things is still in its very early stages but it is expected that 50+ billion devices will

be connected by 2020 and estimated market will be worth US\$19 trillion within the next 10 years. Location-Based Services (LBS) have experienced explosive growth over the last couple of years.

Our real-world is 3-Dimensional. LiDAR technologies help to simulate the 3D models accurately. There is a tremendous growth of LiDAR, laser scanning and 3D reality capture. To enable fast and accurate indoor mapping in challenging surroundings, a number of companies are building seamlessly integrated indoor and outdoor location using LiDAR and adding navigation capabilities for the market. Pilot studies on autonomous vehicles are making headlines in the news. The key sensor for any autonomous vehicle technology is LiDAR. LiDAR enables a self-driving car to observe the area with special feature of continuous 360 degrees of visibility and accurate distance (to an accuracy of $\pm 2\text{cm}$) of objects. Once adopted by the policymakers, it is bound to bring boom into the geospatial industry specially to the ones with proven track record to capture and process precise LiDAR data.

Government Initiative and GIS Industry in India

Many new initiatives taken by the Government of India in the form of Make-in-India, Invest India, Start Up India and e-biz Mission Mode Project under the national e-governance plan are facilitating investment and ease of doing business in the country. GDP growth in India is expected to pick up in 2017 as investment revives. Strong public investment boosted growth in India despite weak exports. Large scale projects with substantial geospatial component like Smart Cities, AMRUT, and Digital India Land Records Modernization Programme (DILRMP), National Optical Fiber Network (NOFN), Integrated Ganga Conservation Programme (Namami Gange) were rolled out. The Union Budget of the Govt. of India of 2016-17 promised a focus on vulnerable sections through schemes like Pradhan Mantri Fasal Bima Yojana, and facility of cooking gas connection for BPL families. Each of these schemes has a potential of geospatial surveys to be undertaken during the execution phase of the project.

Projects / initiatives undertaken by Genesys

During the financial year, Genesys has bagged and executed many interesting projects. Genesys software development team engages itself into various software testing programs to ensure that it adheres to the latest geospatial industry standards specifications. The IT and geospatial standards empower technology developers to make complex spatial information services accessible and useful with all kinds of applications. Open Geospatial Consortium is an international standards development body of repute based in USA with various regional offices across the world including India. . OGC® Standards support interoperable solutions that "geo-enable" the Web, wireless and location-based services and mainstream IT. Genesys team participated in OGC compliance testing program and has been awarded a compliance Certificate in recognition of its software product iMapVision SDK, Version 1.0 which meets all compliance items and therefore complies with OGC Web Map Service Implementation Standard, Version 1.3.0. The purpose of the OGC Compliance Program is to increase system interoperability while reducing technology risks. This ensures that the buyers gain confidence that a compliant product will be easier to integrate with other software and systems.

The Ministry of Roads and Surface transport and State Public works departments (PWD) are involved in the preparation of various Detailed Project Report (DPR)/ Feasibility Report for development/ improvement of various sections of the National highways and State highways / bridges / structures. These feasibility reports are required before taking up any projects for capacity augmentation and removing various deficiencies/ removing road safety features etc. Delay in submission of the DPR results in the delay in the road building projects. Capturing accurate topographic data faster than the traditional techniques is required to build the roads in a faster pace as promised by the government. The concerned ministry and the PWD officials mandated the DPR consultants to carry out topographic surveys using mobile LiDAR or equivalent technologies and also submitting 360 degree panoramic images for the entire

stretch of highway for DPR studies. Genesys has pioneered the usage of LiDAR in India. As such Genesys has become the most preferred company to get these projects from the DPR consultants to carry out LiDAR based surveys across various geographies of the country. During the course of the project execution Genesys also procured few high end LiDAR scanners to complete the projects on time.

In the difficult terrain of Baster of Chhattisgarh, Genesys carried our topographic and asset mapping survey for the Telecom projects and completed the work much ahead of the stipulated time using mobile LiDAR technology.

Genesys International developed innovative solutions based on LIDAR technology for safety and security planning in Smart Cities. As a part of the project implementation in one of the smart city in India which is implementing CCTV based surveillance system, Genesys provided the required feasibility tool with 3D models of the real-world objects. These models were derived from LIDAR datasets, for view-shed / blind-spot analysis with respect to various camera locations, positions and angles. Genesys International deployed advanced Mobile LiDAR technology to solve the problem with high spatial accuracy and executed the project faster than any conventional methods. The results are used not only for project planning but also for Project Implementation and As-Built Design updates. This Genesys case study has been selected and published by FICCI in a 'special edition' providing reflection of multidimensional usage of geospatial technology in India.

Genesys in consortium with another company, has bagged a large turnkey project from one of the biggest municipal corporations of our country and begun implementation of the prestigious LIDAR (Light Detection and Ranging) based Property Survey for city. This is a first of its kind project that is creating a unique platform for property tax administration.. The Integrated Property Validation Solution (IPVS) is intended to provide authentic ground data and web enabled applications for property tax assessment and reconciliation processes to meet the goal of enhancing tax collection through transparent approach.

Challenges and Opportunities

New government initiatives - Digital India and Make in India schemes are driving demand for geospatial content and services. For national development programs especially in Infrastructure and Agricultural project implementation, mandate has been given by the Government to use space based technologies. As per the annual budget of the Government of India, there is a risk of further global slowdown and turbulence beyond 2016-17. Geospatial market is getting transformed from the software or hardware based market into a supporting technology that meets industry-specific business process needs for domestic and international markets.

Many multinational companies are setting up their large map development centers in cities of India. However getting skilled human resources at the entry level is a challenge. The only way out is to train the new entrants through in-house structured capacity building program which include introducing them to new technologies, processes and management tools.

Expectations of the end users have grown up manifold from the industry to provide very accurate ground data through field surveys. However, the import cost for the high accuracy devices/ sensors are very high in India. The large businesses in India, public and private, are incorporating location-based technologies at enterprise level for increasing the efficiency in the business processes. There is a time lag to absorb the latest technology by the end user departments in the government. As a result the businesses from the overseas countries hold more potential. However the traditional survey and mapping business is steady with the government projects.

Internal Control System and its adequacy

The Company has requisite control process and systems in place to ensure effective and efficient monitoring of its operations, which are reviewed at periodic intervals in view of the growth and complexity in the nature of Company's business. Such processes and systems cover all the areas of Company's operations, namely production/operations, purchase, sales, support services, etc.

All our development centers, two in Mumbai and one in Bangalore are ISO 9001:2008 certified and subject to various audit process to ensure compliance.

Considering the nature and size of the operations of the Company, the management believes, necessary internal control processes are in place and adequate to take care of the current need.

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Genesys International Corporation Limited ("the Company") as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an

audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are

recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

1. Company's Background

Genesys International Corporation Limited is engaged in providing Geographical Information Services comprising of photogrammetry, remote sensing, cartography, data conversion, state of the art terrestrial and 3D geo-content including location and other computer based related services.

The company is a public limited company incorporated and domiciled in India and has its registered office at Mumbai, Maharashtra.

The company has its primary listing on Bombay Stock Exchange and National Stock Exchange.

2. Significant Accounting Policies

A) Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention on the accrual basis of accounting, in accordance with the generally accepted accounting principles in India to comply with the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and the relevant provisions of the Companies Act, 2013 ("the Act") ("Indian GAAP").

The accounting policies adopted in the preparation of the financial statements are consistent with those of the previous year.

All assets and liabilities have been classified as current and non – current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realization in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current – noncurrent classification of assets and liabilities.

B) Use of estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect reported balance of assets, liabilities, revenues and expense and disclosures relating to contingent liabilities as of the date of the financials. Examples of such estimates include estimate of useful life of assets, provision for doubtful debts, income taxes, unbilled revenue, etc. Actual results may differ from these estimates. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized. Any revisions to accounting estimates are recognized prospectively in current and future periods.

C) Revenue recognition and expenses

Revenues are recognized on accrual basis. Revenue from operations is accounted for on the basis of

services rendered and billed to / accepted by clients.

Unbilled revenue represents amount recognized based on services performed in advance of billing in accordance with contract terms. Excess of billing over revenue recognized is classified as unearned revenue.

Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable. Dividend income is recognized as and when right to receive dividend is established.

Expenses are accounted for on accrual basis and provisions are made for all known liabilities and losses.

D) Fixed Assets and Depreciation and Amortisation:

(i) Tangible Assets – Property, Plant and Equipment

Tangible fixed Assets are stated at cost of acquisition including directly attributable costs for bringing the assets to its present location and use, less accumulated depreciation.

(ii) Intangible Assets

Purchases of intangibles are capitalized at the acquisition price including directly attributable costs for bringing the asset into use, less accumulated depreciation. Direct expenditure, if any, incurred for internally developed intangibles from which future economic benefits are expected to flow over a period of time is treated as intangible asset as per the Accounting Standard on Intangible Assets (AS – 26).

(iii) Depreciation / Amortization

Depreciation is charged on fixed assets (other than the assets mentioned below) on straight line basis using useful lives of tangible assets contained in Part "C" of Schedule II to the Companies Act, 2013.

Following fixed assets are subjected to accelerated rate of depreciation on straight line basis to take care of technology obsolescence, data relevance, etc.,

Particulars	Useful Life
(A) Tangible Assets	
- Computer hardware (servers & networks)	3 years
- Imaging Systems	3 years
- Other Assets	As per Useful Life specified in Schedule II
(B) Intangible Assets	
- Computer software	3 years
- GIS database	3 years

Depreciation/Amortization is charged on a pro-rata basis on assets purchased /sold during the year

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

with reference to date of installation/disposal. Assets costing individually ₹5,000/- or less are fully depreciated in the year of purchase / installation. Residual value is considered as Nil for all the assets.

E) Borrowing Costs

Borrowing costs, if any, directly attributable to the acquisition of the qualifying asset are capitalized for the period until the asset is ready for its intended use. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use.

Other borrowing costs are recognized as expense in the period in which they are incurred.

F) Impairment of assets

The carrying amounts of the Company's assets including intangible assets are reviewed at each Balance Sheet date to determine whether there is any indication of impairment. If any such indication exists, the assets recoverable amount is estimated, as the higher of the net selling price and the value in use. An impairment loss is recognized whenever the carrying amount of an asset or its cash generating units exceeds its recoverable amount. If at the Balance Sheet date, there is an indication that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to the extent of the carrying value of the asset that would have been determined (net of depreciation/amortization) had no impairment loss been recognized.

G) Investments

Investments are classified into Current and Long-term Investments. Investments that are readily realizable and intended to be held for not more than a year as on the date of acquisition are classified as Current Investments. All other investments are classified as Long Term Investments.

Current investments are stated at lower of cost or fair value. Any reduction in the carrying amount and any reversal of such reductions are charged and credited to the Statement of Profit and Loss, as the case may be.

Long Term Investments are stated at cost. Provision is made to recognize a decline, other than temporary, in the value of such investments.

H) Leases

Finance Lease

Assets taken on finance lease are accounted for as fixed assets in accordance with Accounting Standard – 19.

Operating Lease

Assets taken on lease under which all the risk and rewards of ownership are effectively retained by the lessor are classified as operating lease. Lease

payments under operating lease are recognized as expenses on accrual basis in accordance with the respective lease agreement.

I) Foreign Currency Transactions

All transactions denominated in foreign currency are recorded at the exchange rate prevailing on the date when the relevant transactions take place.

Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss of the year. Monetary assets and liabilities in the form of Loans, Current Assets and Current Liabilities in foreign currency, which are outstanding as at the year-end, are translated at the year-end closing exchange rate and the resultant exchange differences are recognized in the Statement of Profit and Loss.

The premium or discount arising at the inception of the forward exchange contracts related to underlying receivables and payables, if any, are amortized as an expense or income recognized over the period of the contracts. Gains or losses on renewal or cancellation of foreign exchange forward contracts are recognized as income or expense for the period.

Investments in overseas entity are recognized at the relevant exchange rates prevailing on the date of investments.

All transactions of the foreign branch during the year are included in the accounts at the rate of exchange prevailing at the end of the month in which the transactions took place. Net Gain / Loss in foreign currency transactions are recognized in the Statement of Profit and Loss. Monetary assets and liabilities are translated at the rates prevailing on the balance sheet date.

J) Employee Benefits

Short-term employee benefits – Employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and are recognized in the period in which the employee renders the related service.

Post employment benefits (defined benefit plans) – The employees' gratuity scheme is a defined benefit plan. In accordance with the Payment of Gratuity Act, 1972, the Company provides for gratuity for the eligible employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company. The present value of the obligation under such defined benefit plan is determined at each Balance Sheet date based on an actuarial valuation using projected unit credit method. The discount rate is based on the prevailing market yields of Indian government securities. Actuarial gains/losses and current plan

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

costs are recognized in the Statement of Profit and Loss.

Post employment benefits (defined contribution plans) – Contributions to the provident fund is defined contribution plan and is recognized as an expense in the Statement of Profit and Loss in the period in which the contribution is due. Both the employee and the Company make monthly contributions to the provident fund scheme equal to the specified percentage of the covered employee's basic salary.

Long-term employee benefits – Long-term employee benefits comprise of compensated absences and other employee incentives, if any. These are measured based on an actuarial valuation carried out by an independent actuary at each Balance Sheet date unless they are insignificant. Actuarial gains and losses and past service costs are recognized in the Statement of Profit and Loss.

K) Taxation

Current Tax

The provision for current tax is made on the basis of tax liability computed after considering the admissible deductions and exemptions under the provisions of the Income Tax Act, 1961.

Minimum Alternate Tax (MAT) credit is recognized in the Balance Sheet where it is probable that it will be adjusted against the discharge of the tax liability in future under the Income Tax Act, 1961.

Deferred Tax

Deferred tax asset or liability is recognized for reversible timing differences between the profit as per financial statements and the profit offered for income taxes, based on tax rates that have been enacted or substantively enacted at the Balance Sheet date.

In respect of tax holiday unit deferred tax asset or liability is recognized only for those timing differences that originate during the tax holiday period are capable to reverse after the tax holiday period. Timing differences, which reverse within the tax holiday period, do not result in tax consequence and therefore no deferred taxes are recognized in respect of the same. For this purpose, the timing differences, which originate first, are considered to reverse first.

Deferred tax assets are recognized and carried forward to the extent there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Deferred tax assets on unabsorbed depreciation and business losses is recognized if there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets will be realized.

Deferred Tax assets and liabilities are reviewed at each balance sheet date.

L) Earning per Share (EPS)

Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

M) Cash and Cash Equivalents

Cash and Cash equivalents comprises cash and calls on deposit with banks and corporations. The Company considers all highly liquid financial instruments, which are readily convertible into cash and have original maturities of three months or less from the date of purchase, to be cash equivalent.

N) Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

O) Provisions and Contingencies

Provisions are recognized when the Company has a present obligation as a result of a past event, for which it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provision is not discounted to its present value and is determined based on the last estimate required to settle the obligation at the year end.

Contingent liabilities are not provided for and are disclosed by way of notes to accounts, where there is an obligation that may, but probably will not, require outflow of resources.

Where there is a possible obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are neither recognized nor disclosed in the financial statements.

27. EMPLOYEE STOCK OPTION

Compensation Committee of the Board of Directors has granted 1,000,000 Options under 'GENESYS ESOP SCHEME-2010' ("the scheme") to the eligible employees of the company in October 2015 at the exercise prices, subject to requirements of vesting conditions. These options vest in equal tranches over a period of 3 years from the date of grant. Upon vesting, the employees can acquire one equity shares of ₹5 each for every option and secure allotment of company's shares at a price determined at the time of grant of options. The maximum contractual term for these stock option plans is 5 years.

The stock compensation cost is computed under the intrinsic value method and amortized on straight line basis over the total vesting period of 3 years. Intrinsic value is the amount by which the quoted market price of the underlying share as on the date of grant exceeds the exercise price of the option. The intrinsic value on the date of grant approximates the fair value. For the year ended March 31, 2017, the Company has recorded stock compensation expense of ₹15,553,650 (Previous Year: ₹6,763,099).

The activities in the stock option plan is summarized below:

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS, GENESYS INTERNATIONAL CORPORATION LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **GENESYS INTERNATIONAL CORPORATION LIMITED** (herein after referred to as "the Company") and its associate company; (refer Note [1] to the attached consolidated financial statements), comprising of the consolidated Balance Sheet as at March 31, 2017, the consolidated Statement of Profit and Loss, Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information prepared based on the relevant records (hereinafter referred to as "the Consolidated Financial Statements").

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the preparation of these Consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act ") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company and its associate company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. The Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of Consolidated Financial Statements. The respective Board of Directors of the Company and its associate company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and its associate company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for

ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these Consolidated Financial Statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act and the Rules made thereunder including the accounting standards and matters which are required to be included in the audit report.

We conducted our audit in accordance with the standards on auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Consolidated Financial Statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Consolidated Financial Statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the Consolidated Financial Statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditor in terms of their report referred to in sub-paragraph 8 of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company and its associate company as at March 31, 2017 and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matter

The Consolidated Financial Statements include the Company and its associate company's share of net loss of ₹277.27 Lacs for the year ended March 31, 2017 as considered in the Consolidated Financial Statements, in respect of one associate company whose financial statements have not been audited by us. These financial statements have been audited by other auditor. The financial statement audited by the other auditor is for the period ending December 2016. For the purpose of consolidation of accounts of the said associate with the company for the period ending 31st March, 2017, material adjustments have been carried out and approved by the management and the same has been reviewed by us. Our opinion on the Consolidated Financial Statements insofar as it relates to the amounts and disclosures included in respect of this associate company and our report in terms of sub-section (3) of Section 143 of the Act insofar as it relates to the aforesaid associate, is based on the report of the other auditor for the period ending 31 December, 2016 and the material adjustments carried out by the management to commensurate with the period of the company. Our opinion

on the Consolidated Financial Statements and our report on other legal and regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditor.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
 - (b) In our opinion, proper books of account as required by law maintained by the Company, and associate company incorporated in India including relevant records relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and records of the Company and the report of the other auditor.
 - (c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained by the Company and its associate company incorporated in India including relevant records relating to the preparation of the Consolidated Financial Statements.
 - (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors of the Company as on 31st March, 2017 and taken on record by the Board of Directors of the Company and the report of the statutory auditor of the associate company incorporated in India, none of the directors of the Company and its associate company incorporated in India is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and its associate company incorporated in India and the operating effectiveness of such controls, refer to our separate Report in Annexure A.
- (g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Consolidated Financial Statements disclose the impact, if any, of pending litigations as at March 31, 2017 on the consolidated financial position of the Company and its associate company – Refer Note 28 to the Consolidated Financial Statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and there were no amounts which were required to be transferred to the Investor Education and Protection Fund by its associate company incorporated in India, during the year ended March 31, 2017.
- iv. The Holding Company has provided requisite disclosures in the consolidated financial statements as regards the holding and dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated 8th November, 2016 of the Ministry of Finance, during the period from 8th November, 2016 to 30th December, 2016 of the Group entities as applicable. Based on audit procedures performed and the representations provided to us by the management we report that the disclosures are in accordance with the relevant books of accounts maintained by those entities for the purpose of preparation of the consolidated financial statements and as produced to us and the other auditors by the Management of the respective Group entities.

ANNEXURE - A TO THE AUDITORS' REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2017, we have audited the internal financial controls over financial reporting of Genesys International Corporation Limited (hereinafter referred to as "the Company") and its associate companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the company and its associate company, which are companies incorporated in India are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over

Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the

transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company and its associate company which is incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

GENESYS INTERNATIONAL CORPORATION LIMITED

CONSOLIDATED NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

1. Summary of significant accounting policies followed by the Company

The consolidated financial statements include results of the associates of Genesys International Corporation Limited, consolidated in accordance with Accounting Standard 23 'Accounting for Investment in Associates in Consolidated Financial Statements', as below:

Name of the Entity	Country of Incorporation	% of voting right held on March 31, 2017	Consolidated as
A.N.Virtual World Tech Limited	Cyprus	41.57%	Associate
Virtual World Spatial Technology Private Limited	India	-	Wholly owned subsidiary of Associate

For the purpose of Section 2(6) of the Companies Act, 2013, "associate company", in relation to another company, means a company in which that other company has a significant influence, but which is not a subsidiary company of the company having such influence and includes a joint venture company. Explanation - For the purposes of this clause, "significant influence" means control of at least twenty per cent of total share capital and/or the ability to significantly influence the operational and financial policies of the company but not control them. The equity holding of Genesys International Corporation Limited in A.N. Virtual World Tech Limited is 41.57%. The A.N. Virtual World Tech Limited is consolidated as an Associate by virtue of the formers ability to influence the operational and financial policies whereby the share of the parent in the associate's net worth and profit / loss has been picked up and accounted for under an independent line item in the "General Reserve", "Investment" and "Statement of Profit and Loss". The excess of the share of net worth of the associate and cost of Investment in the associate on the day of investing is reflected as a "Capital Reserve".

In all other aspects these financial statements have been prepared in accordance with the other generally accepted accounting principles in India under the historical cost convention on accrual basis. Pursuant to Section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014, till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 1956 shall continue to apply. Consequently, these financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) of the Companies Act, 1956 [Companies (Accounting Standards) Rules, 2006, as amended] and other relevant provisions of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

Notes to these consolidated financial statements are intended to serve as a means of informative disclosure and a guide to better understanding of the consolidated position of the companies. Recognizing this purpose, the Ministry of Corporate Affairs vide its General Circular No. 39/2014 dated 14 October 2014 has clarified that only those note which are relevant to understanding the Consolidated Financial Statements should be disclosed and not merely repeating the Notes disclosed in the standalone financial statements to which these consolidated financial statements are attached to.

Accordingly:

- 1] The Company has disclosed only such notes which fairly present the needed disclosures.
- 2] The accounting policies of the parent also broadly represent the accounting policies of the consolidated entity and hence are best viewed in its independent financial statements, Note 2. However, the useful life of intangible assets for the purpose of its depreciation is considered as 20 years by the associate, which is in contrast to the accounting policy of the parent.
- 3] Note Nos. 2,3, 5, 6, 7, 8, 9, 10, 11, 12, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 34, 35, 36, 37, 38, 39, 40, 41 represent the numbers and required disclosures of the Parent and accordingly are best viewed in Genesys International Corporation Limited independent financial statements.
